HOOP LIFE CAMP GUIDELINES
(based on CDC regulations and suggestions for camps)

1. All campers who are sick or that has come in contact with someone who has been diagnosed with COVID-19 should stay home.
2. Sick campers will not be permitted to enter the camp.
3. Any camper who falls sick during camp will be isolated until a parent comes to pick them up.
4. Parents can only enter on the first day of camp to see the facility for drop-off.
5. Day one pickup will be done outside.
6. All remaining drop-offs or pickups will be done outside.
7. All campers must wear a face mask to camp but will be allowed to take them off once they pass the daily temperature check.
8. All individuals will have their head temperature checked daily with a contactless laser thermometer by a coach wearing a face shield and gloves before being allowed to enter the facility.
9. All individuals will be required to wipe their hands with hand sanitizer upon entering the facility.

Camper Interactions
1. Campers will remain in small groups of 5-10 per coach for all drills and skill competitions.
2. All players will be required to wash their hands with soap and water or wipe their hands with hand sanitizer at the end of each competition or set of skill stations.
3. Campers will have to wash their hands before & after lunch and eat in small groups of 2-5 individuals.
4. Campers must bring their own bottles of water or Gatorade beyond what Hoop Life provides for lunch. There will not be a water fountain available for the campers to use.

Coaches Conduct & Camp Protocols
1. Coaches will daily clean and disinfect camp operation areas.
2. Coaches will routinely disinfect equipment after activities.
3. Coaches will wear face shields and gloves during camp.

COVID-19 Diagnosis Protocols
In the event that we discover any camper, coach, or someone in their household has been diagnosed with COVID-19, we will notify all parents. If the COVID-19 diagnosis circumstance calls for the closure of camp, pro-rated refunds will be granted.
